

Irvine Consolidated Named Workday Referral Partner

Houston, Texas – July 8, 2024 – Irvine Consolidated, a premier consulting firm known for its comprehensive range of Workday® services, today announced a referral partnership with Workday (NASDAQ: WDAY), a leader in enterprise cloud applications for finance and human resources. This partnership is set to enhance Irvine Consolidated's ability to deliver exceptional solutions across various organizational needs.

Expanding Capabilities to Drive Success

Irvine Consolidated is dedicated to empowering organizations with tailored Workday solutions that drive efficiency, optimize processes, and foster growth. Our partnership with Workday enables us to offer enhanced services, including:

- **Implementation Excellence:** Seamless deployment of Workday solutions, ensuring organizations can quickly benefit from the platform's full capabilities.
- **Comprehensive Support:** Ongoing post-implementation support to address any challenges and ensure sustained success.
- **Strategic Consulting:** Expert guidance to help organizations align their strategic goals with Workday's robust functionalities.

"Irvine Consolidated is thrilled to be selected as a Referral Partner with Workday, further enhancing our ability to align our clients' needs with Workday's ever increasing capabilities," said Chris Irvine, CEO of Irvine Consolidated. "By leveraging our deep history and expertise with Workday, we provide comprehensive end-to-end support and ensure delivery of creative solutions to our clients' most pressing problems. This partnership allows us to deliver unparalleled solutions, helping our clients make faster, more informed decisions that drive effective results."

About Workday

Workday is a leading provider of enterprise cloud applications for finance and human resources, helping customers adapt and thrive in a changing world. Workday applications for financial management, human resources, planning, spend management, and analytics are built with artificial intelligence and machine learning at the core to help organizations around the world embrace the future of work. Workday is used by more than 10,000 organizations around the world and across industries.
