

Who is Irvine Consolidated?

Irvine Consolidated is a modern consultancy rooted in the Workday ecosystem, combining deep product expertise, next-gen technology, and real-world insight to help you unlock the full potential of your Workday investment.

Whether you're managing Human Capital, building with Extend, launching Built on Workday apps, or driving smarter decisions through advanced analytics, we bring innovative, tailored solutions that meet you where you are and move with you as your needs evolve.

Our Services

At the intersection of people, data, and Workday, we're more than just consultants, we're your partner in this journey. Together, we'll navigate complexity, fuel innovation, and deliver outcomes that move your business forward with confidence.
